**DERWENT**

### **Our Heritage**

Our story begins in the heart of the Lake District of North-West England with the discovery of graphite in the Borrowdale Valley in Cumbria and the birth of pencil making in Keswick. The Cumberland Pencil Company created its first pencil in 1832 and the first Derwent fine art color pencil was introduced in 1938. Our Pencil Museum still stands on the site of our original factory in Keswick. From humble origins to 1 million pencils a week, Derwent has continued to be proud of its Cumbrian roots and in 2008 a purpose-built factory was opened in Lillyhall, UK.

At Derwent, we continue to evolve and improve not only our traditional pencils but also to introduce new innovative products serving generations of artists and hobbyists.

### **Our Inspiration**

For over 180 years, the Lake District has inspired us to create our unique and world class products. The dynamic landscape of rolling meadows and towering peaks has provided the backdrop for generations of artist, writers, and poets from Thomas Gray to Coleridge and Wordsworth, Ruskin and Hemmingway.

### **Our Mission**

We aim to be the world's leading manufacturer of quality art materials, caring for our customers, colleagues, and consumers. At Derwent we are drawn to perfection, designing our products for artists to inspire, create, and enjoy.

## Paints

The Derwent Academy™ watercolors are available in a convenient pan set or tubes of paint. Great for creating brilliant washes of even transparent color.

Acrylic and oil paints round out the assortment of Derwent Academy paints, available in sets of 24 tubes. Acrylic paints are fast drying compared to oil paints, and allow the use of other mediums to be used on top once dry. Oil paints, while slow to dry, are one of the most versatile forms of painting.

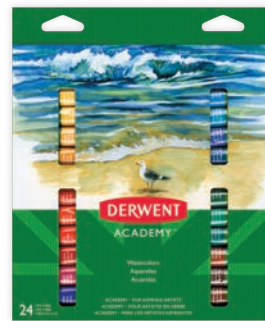

### Watercolor Pan Set

- 12 full-size pans of paint
- Includes a paintbrush
- 3 section lid for easy mixing

#98220

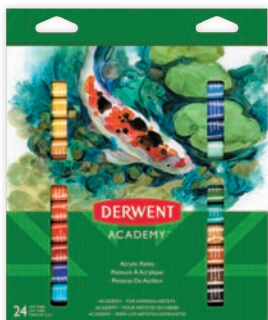

### Watercolor Paints

- 24, 12ml tubes of watercolors
- Made from rich pigments and a formulation that is easy to use, creating transparent washes of color
- Use straight from the tube or dilute with water to achieve various effects

#98222

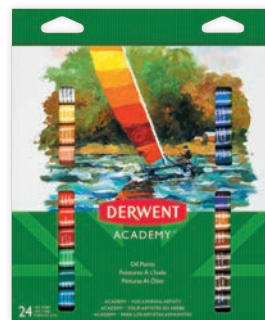

### Acrylic Paints

- 24, 12ml tubes of acrylic paint
- Made from rich pigments and a formulation that retains tinting strength, color vibrancy, and consistency whether used along or mixed with other painting mediums
- Use straight from the tube or dilute with water or painting medium to achieve lighter wash effects

#98226

### Oil Paints

- 24, 12ml tubes of oil paint
- Made from rich pigments and a formulation that retains vibrancy whether used along or mixed with other painting mediums
- Long drying time allows for colors to be blended over a long period

### Accessories

No Artist's toolkit would be complete without the right accessories. Derwent Academy™ offers a full line of art accessories to provide Artists with everything they need to experiment with new techniques and get the most out of their mediums to create beautiful works of art. From brushes to sharpeners, erasers to storage pouches, Derwent Academy accessories are a must-have for the Aspiring Artist.

### Assorted Brushes

- Set of 8 brushes includes:
  - 3 round brushes—can be used to create both thin and thick lines because it can hold a wash, and comes to a point for detailed painting
  - 2 flat brushes—great for making large, consistent strokes and the squared ends of this brush are able to make fine lines
  - 1 liner brush—long hairs on this brush make it ideal for painting very small details, creating lettering, and outline objects
  - 1 mop brush—this brush is able to hold a lot of color and is perfect for covering large areas
  - 1 fan brush—this brush is often used to create texture because the bristles are spaced out and create many thin fine lines at once
- Made from all natural fibers
